Approximate time of delivery after receipt of purchase order \_\_\_\_\_

Special School District is seeking quotes from authorized dealers to purchase additional Ethernet switching modules for the wired infrastructure at South Technical High School, 12721 West Watson Road, St. Louis, MO 63127. The new Ethernet switching will support our new wireless infrastructure proposal; equivalent equipment will be considered.

Delivery address: Special School District
Support Operations Center
700 Fee Fee Road
Maryland Heights, MO 63043
