

ADDENDUM

CHANGES IN SPECIFICATION AND/OR PLANS

DATE ISSUED: JANUARY 4, 2018 ADDENDUM NO. 1
DATE EFFECTIVE: JANUARY 4, 2018 PAGE 1 OF 1
PROCUREMENT NO.: REQUEST FOR PROPOSAL: SSD 115-18 Southview School Wireless
Infrastructure and Access Point Installation

INTENT: This addendum is issued prior to the receipt of bids to provide for modifications in plans and specifications. Acknowledgment of this addendum shall be made and included with response to SSD-115-18.

- 1. I noticed the added note states the District will accept an alternate solution to Panduit products, if it meets specifications. So, will the District also accept an alternate to the General Cable called out for in the specifications, if it meets specifications?**

The District will accept an alternate, providing specifications are met.
